

Traffic Signs Explained

A concise and informative guide to southern Africa's road traffic sign system

This handbook is essential reading for all road users; pedestrians, motorists, cyclists and the professional driver. Even the experienced driver needs to keep up to date with changes that have occurred and also ensure that what was learned while swotting for the learners' has not been forgotten. Extensively illustrated, it explains the vast majority of traffic signs that the road user is likely to encounter. The 86-page book is comprehensive, superbly clear and easy to understand.
